

North Stars Picked

Eight players who powered Loyola High and St. Francis to league titles in CIF "AAAA" football last fall are among 28 senior gladiators selected to the North All-Star squad for the July 20 Catholic Big Brothers' benefit high school all-star football game to be played at Veteran's Stadium in Long Beach.

Leading the St. Francis delegation are 175-lb. half-back Bob Verti, sensational speedster who twice earned All-Santa Fe League laurels; center-line backer Bryan O'Dorisio, all-league both ways; and the Shedy Twins, Bob and Tim, the Golden Knights' one-two punch at guard and end. They sparked St. Francis to wins over nine foes, including CIF "AAA" Champion, South Pasadena, 23-13.

Loyola's perennial single-wing power, which hasn't failed to win the Catholic League title since 1961, will contribute senior stars Bernie Clougherty, all-league defense end; center Greg Hendron, son of ex-Brojan and Washington Redskins tackle, Bob Hendron; swift 173-lb. Tom Johnson, all-league def. half-back; and Ted Von de The, burly center-line backer.

Versatile Joe Lawrence, "Most Valuable Player" of the 4-A Santa Fe League, will be San Gabriel Mission's contribution to the backfield. He plays quarterback, halfback and defense equally well.

Another likely starter is All-CIF halfback Joe Fama, Valley prepsters in rushing, scoring and total offense, the CIF Small Schools champion. This 5-10, 175-lb. whiz averaged 26.7 yards per punt!

The complete 28-man North squad coached by Loyola's Mario DiMuro and Jim Yang of St. Francis is:

Alemany — tackle Mark Johnson, 6-1, 220; flanker Steve Stone, 5-8, 157; center-line backer Greg Hendron, 5-11, 195; end-hb. Tim Johnson, 5-9, 173; fb. Ted Von de The, 5-11, 193; Mikeston — all-back Gabriel Valley, 5-10, 172; T. Paul Webber, 6-ft., 196; Daniel Murphy — guard Ray Karsten, 6-1, 190; Notre Dame — T. Bob Berry, 6-7, 217; center Greg Hendron, 5-11, 195; end-hb. Ray Mutart, 6-11, 185; Pater Noster — guard Rich Barber, 5-11, 202; Pomona Catholic — all-league all-valley linebacker, Capt. Greg Snyders, 5-11, 185; Salesian — fullback Dave Washburn, 5-9, 178; St. Francis — hb. Bob Verti, 5-8, 175; C. Bryan O'Dorisio, 6-ft., 200; guard Bob Shedy, 5-11, 185; and Tim Shedy, 5-10, 185; St. Genevieve's — halfback Joe Fama, 5-10, 175.

Four More Champions Honored

Sports banquets are common in high school, but when Bishop Montgomery High School gathers its spring lettermen at St. Catherine Labouré auditorium tomorrow evening, the occasion will be unique. Four teams have followed in the footsteps of the football squad to achieve undefeated championship status in the Camino Real League.

In the fall the football team not only won its five

league games, but ran up 10 straight victories before losing to Morningside in the CIF "AAA" football semifinals.

The basketball team completed a 10-game whitewash of the Camino Real League, but lost in the first round of the playoffs.

The track and field teams swept past eight league non-league opponents in dual meets and posted the league's top number of qual-

ifiers for the CIF with 10. Swelling the laurels was the tennis team which went through the non-league and Camino campaigns with a non-defeat record.

The baseball teams lost a pair of non-league games to El Segundo and Torrance, but by winning 15 league games and two CIF "AA" playoff games, the Knights have sustained a string of three championship baseball seasons.

Considering how impossible it was for Bishop Montgomery to contend with Fernin Lasuen High just a few months ago, the manner in which the Knights conquered their rival this year has a particular significance.

Coaches who put together the championship efforts are Bill Manis, tennis; Jim Arnaz, track and field; Dave Benedaret, basketball; Marvin Woods, baseball; and George Swade, football.

Grid Rosters Announced For East-West Allstars

Rosters for the East and West teams in the third annual Lions All Star Football Game on Aug. 10 have been announced by co-chairmen Don Banker and Al Alm.

The two, 30-member teams, will clash for charity at El Camino Stadium in a star-studded contest sponsored by the West Torrance Lions Club.

The West squad will be headed by Danny Graham, All-CIF, all American quarterback from Bishop Montgomery High of Torrance, Graham led his team to the Camino Real Championship and the CIF semifinals in 1966.

Bob Bartlett of Carson High, hard-running ALL CITY Co-Player of the Year in 1966, will pace the East Squad. Bartlett and his Carson Colts won the City Championship last year.

Coaches of the teams, announced earlier by the West Torrance Lions Club, are Gene Vollnogle for the East and George Swade for the West. Vollnogle heads the Carson High staff, while Swade is from Bishop Montgomery.

"This star-packed lineup may produce the best game in this charity series," said chairman Banker. "In addition, there are a lot of rivals being pitted against each other, which should produce plenty of action."

Villanueva To Appear At West

Danny Villanueva, star punter for the Dallas Cowboys, will hold a kicking clinic with members of the West High School football team Thursday.

Fred Petersen, West High coach, said Villanueva will be at the school campus, 20401 Victor, at 2:15 p.m.

Villanueva is conducting a series of football clinics and speaking to student groups in Los Angeles and Orange County as a public service on behalf of the Ford Dealers of Southern California.

Now in his eighth year in the National Football League, Danny ranks among the all-time football greats. His lifetime punting average is 44 yards. He led the Los Angeles Rams in scoring during his first four years in the league and in 1965 and 1966 led the Dallas Cowboys in scoring.

He holds the Rams record in punting average for a season (45.5 yards), punting average for a game (51.2 yards) and the longest field goal (51 yards).

Motorcycles To Compete In Two Evenings

One of the biggest motorcycle racing weekends of the season is upcoming Friday and Saturday evenings at Ascot Park.

Action starts at 8:15 both evenings. There will be the regular Friday evening flat-track meet, followed by a steeplechase session on Saturday. The two shows will involve 250 riders.

Dan Haaby, Sammy Tanner, Mert Lawwill, Mel Lacher, Chuck Jones and Chris Draayer are among the leading threats in the flat-track meet.

The steeplechasers covet over a tricky five-eighth-mile course that includes both left and right turns and a big jump located in front of the main grandstand. Steeplechase action is held once a month on the first Saturday of each month.

Home Run Rampage

Torrance American Little League is continuing its home run output as Edmund Varpanian of the White Sox clubbed his fourth Saturday, a grand slam clout against the Pirates for a 7-5 win.

Jeff Austin leads the league with six homers, but his recent achievement was a no-hit shutout for the Tigers over the Red Sox, 2-0. The runs came on Jim Aralis' second homer of the year.

Paul Pfaff's first homer gave the Dodgers their only run in a 9-1 loss to the Athletics.

In an American Little League minor league game Tim Weir hit a grand slam home run, but his Tigers lost to the White Sox, 17-16.

A rash of home runs came out of the Tordondo Little League where Russ Kimber broke up a nine inning game by homering as the Cubs beat the Tigers, 1-0, in nine inn-

ings. The Cubs swept to a 10-1 record for the first half.

Three minor leaguers knocked the ball over the fence as Dan Henggler converted for the Giants, Scott Rousseau for the Red Sox, Ed Burr for the Padres, his fourth which came with the bases jammed.

Lakers Acquire I.Q. Look

While the Los Angeles Lakers went to the recent NBA college draft meeting looking for height, they came back with both size and brains.

Coach Bill van Breda Kolf from Princeton will have the distinction of meeting the league's smartest first-year crop when he holds a rookie camp, July 10-15, at Loyola University.

The 1967 Academic All-America Basketball team lists four Laker draft picks among the top 31 cagers in the nation.

Jamie Thompson of Wichita State, who doubles as one of the country's top free throw shooters and one of collegiate golf's best, was selected to the first team of the elite athletic-scholar group.

Top LA draft selection Randy Mahaffey of Clemson was on the second team of the Academic All-America, while Laker rookie hopefuls Jay McMillen of Maryland and Gary Keller of Florida were named to the third team.

Thompson shot 90.5 per cent from the line in his senior season to place third in the final NCAA (National Collegiate Athletic Association) statistics behind Rutgers' Bob Lloyd (82.) and Morehead State's Sandfors (90.6).
